

Royal Caribbean Majesty of the Seas

ECF Annual Meeting Cruise – November 10, 2017

Port Canaveral is the gateway to the Space Coast and the attractions of Central Florida.

Our ship offers the ultimate in comfort, convenience, and luxury plus a staff that's available twenty-four seven. You'll agree there's nothing better than returning "home" to your cabin after a day filled with adventure.

On a Royal Caribbean cruise, dining is part of the journey. It's more than just food. It's about the ambience, the dining experience, variety and the flexibility to plan dinner whenever you're ready.

There is lots to do anytime you want to take a stroll, grab a good book or just 'people watch'. Want to shape up a bit while you enjoy some well deserved R & R? Check out the ship's state of the art Fitness Center– it's got everything you want plus an amazing view.

The gorgeous view isn't the only thing that will dazzle you when you are onboard. You'll find world-class entertainment from all over the globe in awe-inspiring shows by Royal Caribbean Productions.
