Norwegian Sun

ECF Annual Meeting & Cruise – November 14 - 18, 2019

Port Canaveral is the gateway from the Space Coast to the welcoming Bahama Islands.

Leave your worries at home as you relax in your cruise cabin. All 968 of Norwegian Sun's staterooms have been upgraded with smart televisions and USB ports as well as new carpet, artwork, and furniture. The newly revitalized accommodations pay tribute to the beauty of the surrounding ocean with a palette of cool blue hues and silver and turquoise accents. The abstract art within the staterooms and suites are the ideal complement to the new and modern feel.

Freestyle accommodations are exactly what you're looking for, the perfect place to spend your time while cruising onboard a Norwegian cruise. There's a cabin for big families, luxurious travelers, budget spenders and even solo cruisers. Take a look at the categories described on the Norwegian Sun Information Guide – then ask your cruise consultant which option is best for you. See guide below.

Norwegian Sun offers everything you could want in comfort, convenience, and luxury plus a staff that's available twenty-four seven. You'll look forward to returning "home" to your cabin after a day filled with fun activities and new adventures.

The abundance of food and dining options on the Norwegian Sun is half the fun while you're cruising to your next destination along the way. It's more than just food. It's about the ambience, the dining experience, variety and the flexibility to plan dinner whenever you're ready.

There is lots to do anytime you want to take a stroll, grab a good book or just ‘people watch’. Want to shape up a bit or visit the Mandara Spa while you enjoy some well deserved R & R? Check out the ships state of the art Fitness Center– it’s got everything you want plus amazing views.

The view isn’t the only thing that will get your attention while you are onboard. You’ll find sports bars, pool side “watering holes”welcoming lounges and a variety of great entertainment from all over the world. Don’t forget to try your ‘luck’ in the Sun Casino.
