

ELECTRICAL COUNCIL OF FLORIDA
PINELLAS CHAPTER
GENERAL MEMBERSHIP MEETING

*VFW POST 4364
5773- 62nd St. North
Saint Petersburg, FL 33709*

Next Meeting: Thursday January 30, 2020

Our guest speaker this month will be Ken Lambert of Coresential. He will be presenting a one hour continuing education course titled:

“Understanding Underground Enclosures”

ECLB Course # 0801021 – Provider # 0000899 (Prefix T).

This course counts toward one hour of the technical (general) CEU requirements needed for the Electrical Contractors License renewal and will provide contractors and employees with the technical knowledge to properly size, type and install the correct underground enclosure to fit the applications that are being used in today’s installations.

Casey Landry from the ECF State Office will be on hand to administer the class.

Menu: Mary will be serving 15 Bean ham and sausage soup, twice baked potato, corn bread, garlic bread, salad and brownies. If you know of anyone who would like to join the Pinellas Chapter for our program, please forward this notice to them.
