WHAT OTHERS ARE SAYING

"Being a member of ECF has given me the opportunity to network with industry leaders. It has allowed me to meet and build relationships with Electrical Contractors, Supplier Reps, as well as local Inspectors and Utilities."
- **Timothy Hersman** | Area Manager | Graybar

"As a member of the ECF I am free to attend CEU classes as they fit into my schedule, in truth I typically end up with more CEU's than are mandated for my licenses. It also frees me from having to worry about reporting the classes to the proper state agencies because the ECF staff takes care of all the requirements."
- **Clyde Hady** | State Coordinator | Bay Area Electrical Apprentice Program
