*5773- 62<sup>nd</sup> St. North*  
*Saint Petersburg, FL 33709*

**Next Meeting:      Thursday, January 28, 2021**

Our guest speaker will be Neal Burdick, President of the ECF Tampa Chapter and licensed Electrical Inspector/Plans Examiner/ Classroom Instructor. He will be presenting part two of a highlighted review of changes to the 2017 NEC, Chapters One through Four, which the State of Florida has put into effect on 1/1/2021.

This is the continuation of the meeting we held in October where we will pick up where we left off. We are planning for one hour of presentation time plus questions.

This presentation will be for information only and is not a CEU. Field workers may also benefit from this class. Please join us as you will find this program quite interesting and informative. If you know of anyone who would like to join the Pinellas Chapter for this program, please forward this notice to them.

Mary will be serving Baked Lasagna with a side of Italian sausage, salad bar and dessert. It is especially important that you make reservations so that enough dinners may be ordered.

***Masks are mandatory when you leave your table.***
