## April's Meeting

The Tampa Chapter would once again like to thank Mark Costis owner of GenerX Generators for sponsoring the meal for the evening. Everyone enjoyed the grilled steak and baked potato dinner prepared by the American Legion. Dave Chamberlain with Fox-Rowden-McBrayer, Inc was the guest speaker for evening. Dave presented a one hour CE class titled "Overview of OSHA Standards for Control of Hazardous Energy" ECLB Course #0007188 Provider #0000899. Those in attendance were shown the proper procedures for Lock out Tag out to comply with OSHA requirements.

## May's Meeting

For May we will be having another 1 hour CE class titled 2014 FBC 5<sup>th</sup> Edition Florida Energy Conservation Code (FBC #769) ECLB Course #0801642 and Provider #0000899. The course reviews and summarizes changes found in the Florida Building Code, Fifth Edition (2014) Energy Conservation Code. The class will satisfy the Electrical Contractors ADV CE requirement.
